

HVAC Journeyman

Denron Hall Plumbing & HVAC · Manchester, NH · Full-Time

\$28 – \$40 per hour

Hourly rate based on experience and certifications. Overtime and performance bonuses available.

Join the HVAC team installing commercial mechanical systems on New England's largest construction projects. We're hiring experienced journeymen with EPA 608 Universal who can install, braze, and start up equipment with minimal supervision.

ABOUT THE ROLE

Denron Hall paid out over \$1.5 million in performance-based bonuses in 2024 and offers paid vacation and personal days after just 90 days. You'll work alongside experienced foremen on ground-up commercial, healthcare, education, and multifamily projects — installing RTUs, AHUs, split systems, VAV boxes, refrigerant piping, hydronic piping, and controls rough-in.

WHAT YOU'LL DO

- Install commercial HVAC equipment — RTUs, AHUs, split systems, VAV boxes, unit heaters, exhaust fans
- Run and connect refrigerant piping (brazing, pressure testing, evacuation, charging)
- Install hydronic piping for boilers, chillers, and fan coil systems
- Connect ductwork to equipment and install transitions
- Pull and terminate low-voltage controls wiring
- Read mechanical drawings and coordinate with foreman on layout
- Assist with equipment rigging, crane picks, and rooftop placement
- Test and commission equipment at startup
- Mentor and guide apprentices on-the-job
- Communicate material needs to the foreman before they hinder progress

WHAT YOU BRING

- EPA 608 Universal Certification (required)
- OSHA 10 Certification (we'll provide if needed)
- Valid driver's license

NICE TO HAVE

- NH Fuel Gas Fitter license (Equipment Installer or higher)
- NATE certification
- VRF / VRV system experience

- 4+ years commercial HVAC experience or completed apprenticeship
- Brazing and refrigerant piping proficiency
- Blueprint reading ability
- Able to lift 50+ lbs and work at heights
- A2L refrigerant training (R-454B / R-32)
- Aerial lift / scissor lift certification

PHYSICAL REQUIREMENTS

- Lift and carry 50+ lbs
- Prolonged standing, walking, squatting, reaching
- Overhead work and climbing stairs
- Work at varying heights on ladders, aerial lifts, and rooftops
- All indoor and outdoor climates

WHAT WE OFFER

- Health / Dental / Vision insurance
- Paid vacation, paid holidays, personal days (eligible after 90 days)
- 401(k) with generous company match
- Company-paid short-term and long-term disability
- Paid training, license renewals, and continuing education (including A2L transition)
- Pay-for-Performance bonus potential
- Tools and PPE provided
- Career advancement to Foreman and beyond
